

QuickBooks Pro / Premier, 2002, through 2009

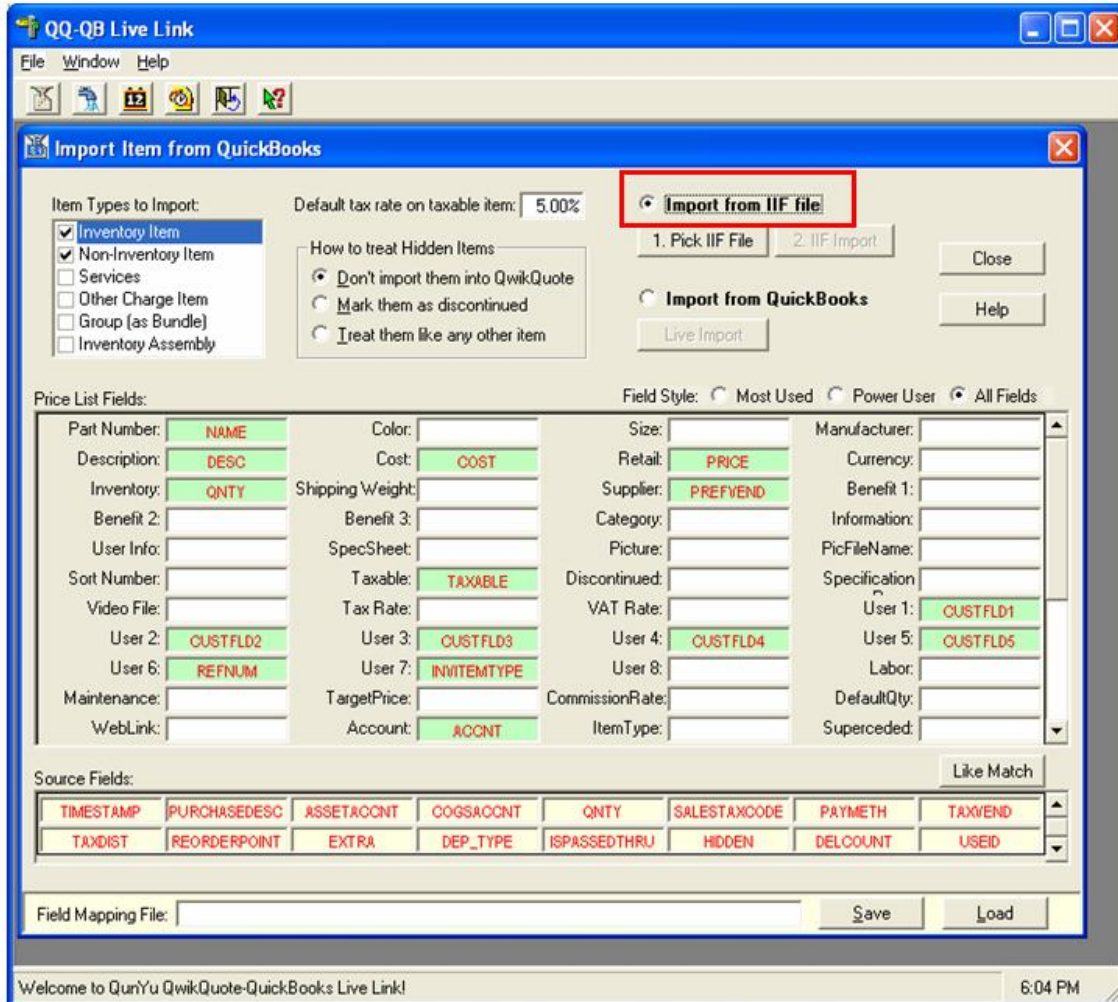

With just one click on the “Live Link” icon you will be able to review items to be imported into QuickBooks.

### Open the QwikQuote / QuickBooks Module

First Import your database from QuickBooks to QwikQuote. Here we are importing from an IIF file:

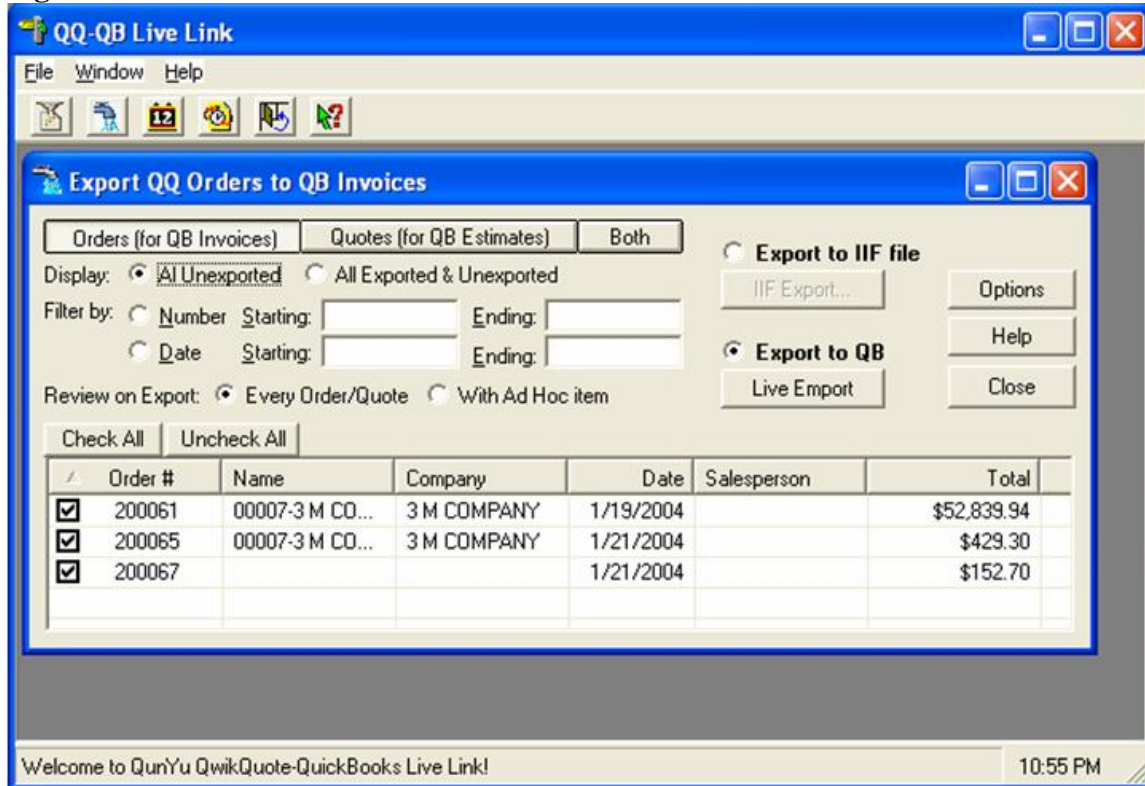

**Figure 1**

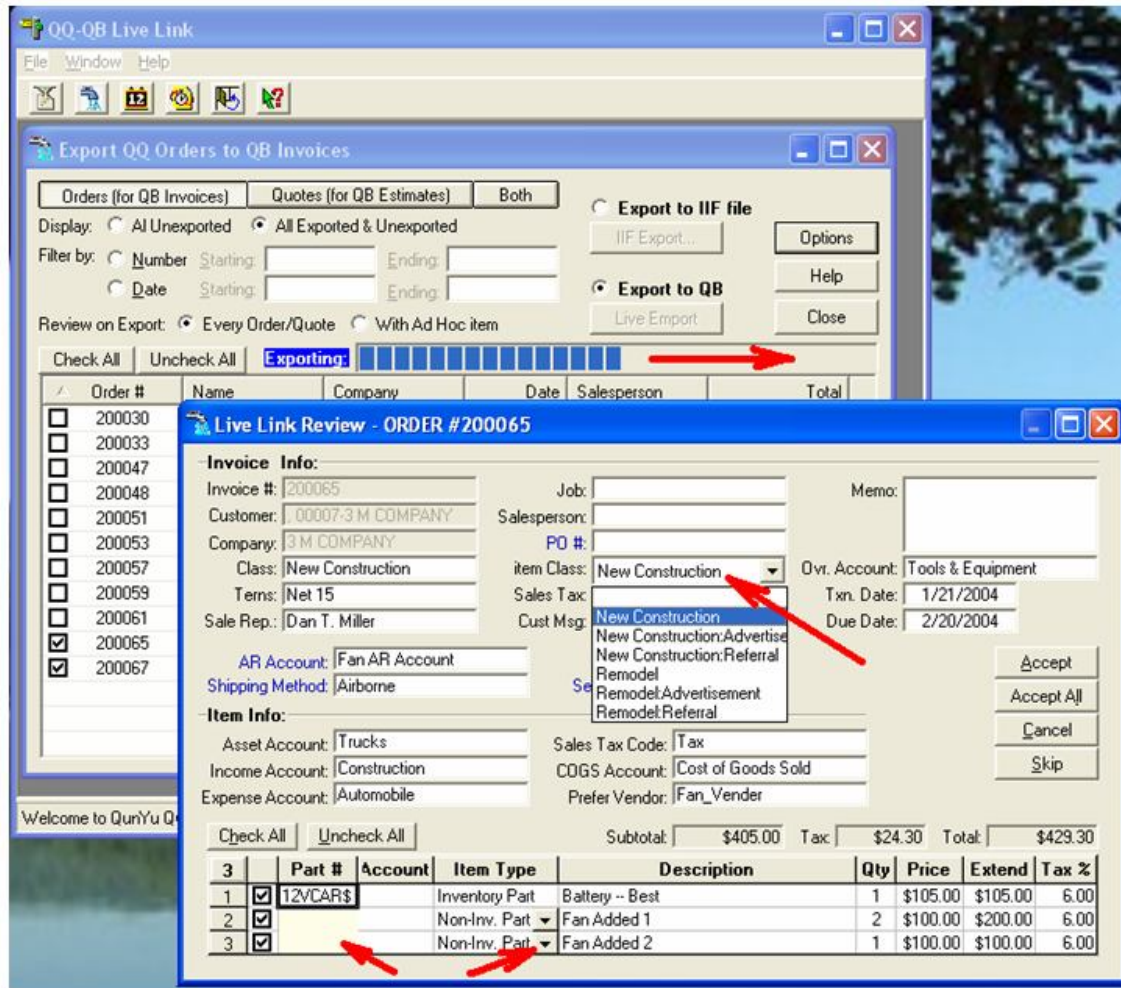

## Export QwikQuote Orders into QuickBooks as Invoices or Estimates

When the Live Link Import icon  on the flash window or the toolbar is pressed, the Live Link Export window will show up as screenshot below.

**Figure 2**

Review the Orders to be put into QuickBooks  
**Figure 3**

QwikQuote Live Link Options are many. Choose the way you want to setup and write back to your QuickBooks Accounting Program.
